VOLUME 8. MARYVILLE, MISSOURI, TUESDAY, JULY 3, 1917 NO. 25.

ONE-THIRD IS GIVEN

NODAWAY COUNTY HAS SUBSCRIBED $11,722.65 FOR RED CROSS.

TOWNSHIP TOTAL, $4,526

Workers Turn In $619 of Yesterday's Collections — Township's Allotment Is $7,333.

Nodaway county has subscribed more than one-third of her allotment of $30,000 this afternoon when reports from a few of the collectors in Polk township and from the chairmen of the branches in the county brought the total up to $10,823.65.

In all of the townships the work is still progressing, and the next few days will find the amount given climbing steadily upward toward the goal. The canvass of the farming districts is not yet complete and when every person in the county has been seen the total will be greatly increased.

Reports from the workers in Polk township showed that $619 had been collected yesterday and only a few workers had reported. By tonight the total for Polk township which is now $4,526.45 will possibly be raised to $7,000.

Polk township's allotment according to population is $7,333, and in order to raise this money it will be necessary for some of the persons who believe in the work to increase their subscription. Then those who have not given must decide on their portion before the week is up so that their names may go in on the honor roll of those who wish the boys in Europe properly cared for.

Hopkins township is over its allotment of $1,760, having already subscribed $2,000.

CELEBRATE THE 4TH

OUT-OF-DOOR PLEASURES WILL OCCUPY CITY AND COUNTY.

THE RACES IN MARYVILLE

Patriotic Shoot for Red Cross Held in the Morning — Many Neighborhood Picnics Planned.

The Fourth of July will be celebrated in Maryville and the rest of the county tomorrow with out-of-door amusements entirely. All of the banks and nearly all of the stores will close for the day, and business in Maryville will be practically suspended.

Races at the Fair Grounds.

The races at the Fair Grounds will be the main feature of the Maryville entertainment. The Fourth Regiment band will play throughout the day. The program will begin at 9:30 o'clock in the morning with a parade led by the band. At the fair grounds the first event will be the exhibition of class horses, of show horses and of ladies' riding. At 10 o'clock the pacing, trotting and running exhibitions will be given and the premiums for the best in these classes will be given.

For the races more than thirty horses are now on the grounds and more are expected on the later trains today. The latest arrivals are: Deacon McGregor, from Maysville, a pacer, 2:14¼; Isabel, a trotter from Maysville, 2:25.

Dr. A. H. Holkenbrink of St. Joseph has entered two trotters, Rodney, 2:17 and Roley, 2:12. Four running horses have also been entered.

The derby race, which is supposed to be a feature of the day will be put on at 5 o'clock.

In the afternoon the regular races will begin. At three o'clock the baby show will be held at the grand stand. Three premiums will be awarded for the three prettiest babies.

A. O. Mason, president of the Fair association, urges those who contemplate attending the races to bring their dinners as there will be only forty minutes intermission between the morning and the afternoon events. There are plenty of shady places, Mr. Mason says, and lunches may be eaten with comfort.

Fifty-two babies have been entered in the baby contest and this feature of the day will come up to the highest expectations.

Another Fourth of July event will be the patriotic shoot, which will be held in the morning under the auspices of the Maryville Gun club. The proceeds from the shoot will be given to the Red Cross association.

The Lasher Celebration.

The Lasher community, five miles southwest of Maryville, will celebrate the Fourth with a monster picnic which includes a program, a flag raising and a basket dinner. Dr. S. A. Coile, William G. Sawyers, the Rev. Gilbert S. Cox and Herman Hull will be the speakers. The Red Cross "drive" will be made during the day.

At Knabb School.

Rev. T. H. Wiles, pastor of the First Baptist church and Prof. Harry A. Miller of the State Normal school will be the speakers at the Knabb school Fourth of July celebration, which will be held by the members of the Country club, the Herron Homemaking circle and the Ireland Industrial club. Two numbers on the program will be furnished by each club and Miss Edna Davenport will give a recitation. The basket dinner will be served at 4 o'clock. The committee in charge of the entertainment is: Mrs. J. C. F. Taylor, a member of the Herron Homemaking circle; Mrs. Elihu Shell from the I. I. club and Mrs. J. J. Knabb from the Country club.

Special to The Democrat-Forum.

East St. Louis, July 3.—Torches this afternoon set fire to eleven houses in the South Bend district. All of the available fire fighting apparatus was rushed to the scene. Wild rumors were afloat that the entire South Bend was ablaze, but these were given no credence. It is estimated that about seventy-five are dead and 100 are wounded and dying as a total of today's and last night's riots. The Chamber of Commerce blames the militia for the riots alleging lax discipline and that the rioters were given free rein. The governor is being bitterly censured for refusing to grant the request to declare martial law.

East St. Louis, July 3.—Three more negroes were shot in the renewed rioting this morning and a number of houses were set on fire. The governor instructed the adjutant-general to take any step no matter how drastic to restore order and to show no partiality to the races.

A hundred guardsmen will meet the blacks with orders to shoot to kill. New rioting broke out this morning, two negroes were killed and a score injured during the fighting. In this number several women are known to be dead and also twenty-three negroes and two whites. The fire damage is estimated at a half-million. NURSE HAD POOR HEALTH

Suffered Much Pain, Yet Had to Work. Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Toledo, Ohio.—"I am a widow and go out nursing, and suffered from a female trouble that caused a great deal of soreness across my back, and through my abdomen. Sometimes it would be very painful after a hard day's work. I read about Lydia E. Pinkham's Vegetable Compound and tried it and it has helped me wonderfully, so the soreness is all gone now. I believe Lydia E. Pinkham's Vegetable Compound is just the remedy for female troubles." — Mrs. ELIZABETH JOHN, R. F. D. No. 4, Toledo, Ohio.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today is regarded as the most successful remedy for female ills. There are thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., to prove this fact.

and a "cold snack"

How does this sound as a suggestion for a meal some day during this hot weather? Cold boiled ham, potato salad, rye bread, and ice-cold *Bevo*.

Bevo was made with meals and "between meals" in mind. It's an all-'round soft drink. Enjoyable and refreshing all by itself and of just the flavor to go with any food—hot or cold—and to make it taste better. Pure—wholesome—nutritious.

Bevo—the all-year-'round soft drink.

All Traces of Scrofula Eradicated from the System

By the greatest of all purifiers.

A common mistake in the treatment of scrofula has been the use of mercury and other mineral mixtures, the effect of which is to bottle up the impurities in the blood, and hide them from the surface.

The impurities and dangers are only added to in this way.

For more than fifty years S. S. S. has been the one recognized reliable blood remedy that has been used with highly satisfactory results for Scrofula. Being made of the roots and herbs of the forest, it is guaranteed purely vegetable, and absolutely free from all mineral ingredients.

You can obtain S. S. S. from any drugstore. Our chief medical adviser is an expert on all blood disorders, and will cheerfully give you full advice as to the treatment of your own case. Address Swift Specific Co., Dept. F Atlanta, Ga.

About the
Chautauqua

The advance ticket sale for the Maryville Chautauqua is now on. The season tickets are being offered at $1.50 for adults and $1.00 for children. After July 10, the price will be advanced fifty cents on each class of tickets.

Programs are now being distributed and you will find by reading one of them that the chautauqua this year is one of the best that has been given in this city. The chautauqua is something that deserves your patronage, because it gives more of high class entertainment and instruction for the money than could be brought to this city in any other way.

In order that the people may have no misunderstanding of the situation with relation to the activity of the local committee, it is thought well to make the following statement:

During the progress of the chautauqua a year ago the question of continuing this week of entertainment another year was put to a vote and was almost unanimously favorable. It was also voted that the assembly should be held at the Normal Park. Finally, subscription cards were passed through the audience and the people were asked to subscribe for the number of tickets they could use. A large number signed these cards.

After the expression of the people had been made favorable to the return of the Redpath - Vawter people, had decided on the location and had signed cards pledging to buy pretty nearly enough tickets to meet the guarantee required by the company, forty-three Maryville men signed the contract for the chautauqua assembly for this year. These men are obliged to sell $1500 worth of tickets and to have the money in the bank to the order of the Redpath-Vawter people twenty - one days before the opening of the chautauqua. They have to make good the deficiency, if there is one. These men have no chance to profit by the undertaking, but they do stand to lose if the people of this community fail to buy these tickets.

What are YOU going to do about it?

The committee has had Mr. Fred Lewis calling on the people who signed the cards last summer. Some of these people seem to feel that it doesn't matter if they fail to make good their pledge; others put off paying the money "until the chautauqua starts." Most of them, of course, are paying according to agreement.

The guarantors are disposed to put it squarely u pto the people of the community. If you don't care for the chautauqua, and do not buy the tickets, the guarantors will meet the deficiency this time and let it go at that.

Season tickets are on sale at the stores, banks and other public places in Maryville. They are fifty cents cheaper than they will be after one week from next Thursday (July 10). The chautauqua people are offering you a great program; it is to be given in the beautiful Normal Park, and there are to be tents for those who care to make the event a week of recreation.

The committee is anxious to have you buy the tickets and make this a successful chautauqua—not merely because the members are going to lose a little money if it fails, but for the reason that the enterprise is one well worthy of the support of this high - class community.

But it's up to YOU.

E. M. CLAYPOOL,
Secretary.

F. P. ROBINSON,
Chairman Local Committee.

TOWNSHIP TOTAL, $4,526

Workers Turn In $619 of Yesterday's Collections — Township's Allotment Is $7,333.

Nodaway county has subscribed more than one-third of her allotment of $30,000 this afternoon when reports from a few of the collectors in Polk township and from the chairmen of the branches in the county brought the total up to $10,823.65.

In all of the townships the work is still progressing, and the next few days will find the amount given climbing steadily upward toward the goal. The canvass of the farming districts is not yet complete and when every person in the county has been seen the total will be greatly increased.

Reports from the workers in Polk township showed that $619 had been collected yesterday and only a few workers had reported. By tonight the total for Polk township which is now $4,526.45 will possibly be raised to $7,000.

Polk township's allotment according to population is $7,333, and in order to raise this money it will be necessary for some of the persons who believe in the work to increase their subscription. Then those who have not given must decide on their portion before the week is up so that their names may go in on the honor roll of those who wish the boys in Europe properly cared for.

Hopkins township is over its allotment of $1,760, having already subscribed $2,000.

OUT-OF-DOOR PLEASURES WILL OCCUPY CITY AND COUNTY.

THE RACES IN MARYVILLE

Patriotic Shoot for Red Cross Held in the Morning — Many Neighborhood Picnics Planned.

The Fourth of July will be celebrated in Maryville and the rest of the county tomorrow with out-of-door amusements entirely. All of the banks and nearly all of the stores will close for the day, and business in Maryville will be practically suspended.

Races at the Fair Grounds.

The races at the Fair Grounds will be the main feature of the Maryville entertainment. The Fourth Regiment band will play throughout the day. The program will begin at 9:30 o'clock in the morning with a parade led by the band. At the fair grounds the first event will be the exhibition of class horses, of show horses and of ladies' riding. At 10 o'clock the pacing, trotting and running exhibitions will be given and the premiums for the best in these classes will be given.

For the races more than thirty horses are now on the grounds and more are expected on the later trains today. The latest arrivals are: Deacon McGregor, from Maysville, a pacer, 2:14¼; Isabel, a trotter from Maysville, 2:25.

Dr. A. H. Holkenbrink of St. Joseph has entered two trotters, Rodney, 2:17 and Roley, 2:12. Four running horses have also been entered.

The derby race, which is supposed to be a feature of the day will be put on at 5 o'clock.

In the afternoon the regular races will begin. At three o'clock the baby show will be held at the grand stand. Three premiums will be awarded for the three prettiest babies.

A. O. Mason, president of the Fair association, urges those who contemplate attending the races to bring their dinners as there will be only forty minutes intermission between the morning and the afternoon events. There are plenty of shady places, Mr. Mason says, and lunches may be eaten with comfort.

Fifty-two babies have been entered in the baby contest and this feature of the day will come up to the highest expectations.

Another Fourth of July event will be the patriotic shoot, which will be held in the morning under the auspices of the Maryville Gun club. The proceeds from the shoot will be given to the Red Cross association.

The Lasher Celebration.

The Lasher community, five miles southwest of Maryville, will celebrate the Fourth with a monster picnic which includes a program, a flag raising and a basket dinner. Dr. S. A. Coile, William G. Sawyers, the Rev. Gilbert S. Cox and Herman Hull will be the speakers. The Red Cross "drive" will be made during the day.

At Knabb School.

Rev. T. H. Wiles, pastor of the First Baptist church and Prof. Harry A. Miller of the State Normal school will be the speakers at the Knabb school Fourth of July celebration, which will be held by the members of the Country club, the Herron Homemaking circle and the Ireland Industrial club. Two numbers on the program will be furnished by each club and Miss Edna Davenport will give a recitation. The basket dinner will be served at 4 o'clock. The committee in charge of the entertainment is: Mrs. J. C. F. Taylor, a member of the Herron Homemaking circle; Mrs. Elihu Shell from the I. I. club and Mrs. J. J. Knabb from the Country club.

Numerous neighborhood picnics are being planned by Maryville residents as a pleasant way of spending the day. The fifty students who board at Mrs. Louella Landfather's on West Fourth street will go to Bridgewater, near Arkoe, to spend the day. They will make the trip by train.

FIRE DAMAGE IS GREAT

Chamber of Commerce Blames Militia Saying That Rioters Were Given Free Rein—Governor Censored.

Special to The Democrat-Forum.

East St. Louis, July 3.—Torches this afternoon set fire to eleven houses in the South Bend district. All of the available fire fighting apparatus was rushed to the scene. Wild rumors were afloat that the entire South Bend was ablaze, but these were given no credence. It is estimated that about seventy-five are dead and 100 are wounded and dying as a total of today's and last night's riots. The Chamber of Commerce blames the militia for the riots alleging lax discipline and that the rioters were given free rein. The governor is being bitterly censured for refusing to grant the request to declare martial law.

East St. Louis, July 3.—Three more negroes were shot in the renewed rioting this morning and a number of houses were set on fire. The governor instructed the adjutant-general to take any step no matter how drastic to restore order and to show no partiality to the races.

East St. Louis, July 3.—Three hundred armed negroes are reported marching on East St. Louis today intending to get revenge for the wholesale slaughter of negroes by the whites last night. A hundred guardsmen will meet the blacks with orders to shoot to kill. New rioting broke out this morning, two negroes were killed and a score injured during the fighting. In this number several women are known to be dead and also twenty-three negroes and two whites. The fire damage is estimated at a half-million. Hundreds of men, women and children stood by and cheered today while bodies burned. The town was practically under martial law although the government refused to proclaim such.

Toledo, Ohio.—"I am a widow and go out nursing, and suffered from a female trouble that caused a great deal of soreness across my back, and through my abdomen. Sometimes it would be very painful after a hard day's work. I read about Lydia E. Pinkham's Vegetable Compound and tried it and it has helped me wonderfully, so the soreness is all gone now. I believe Lydia E. Pinkham's Vegetable Compound is just the remedy for female troubles." — Mrs. ELIZABETH JOHN, R. F. D. No. 4, Toledo, Ohio.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today is regarded as the most successful remedy for female ills. There are thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., to prove this fact.

All Traces of Scrofula Eradicated from the System

By the greatest of all purifiers.

A common mistake in the treatment of scrofula has been the use of mercury and other mineral mixtures, the effect of which is to bottle up the impurities in the blood, and hide them from the surface.

The impurities and dangers are only added to in this way.

For more than fifty years S. S. S. has been the one recognized reliable blood remedy that has been used with highly satisfactory results for Scrofula. Being made of the roots and herbs of the forest, it is guaranteed purely vegetable, and absolutely free from all mineral ingredients.

You can obtain S. S. S. from any drugstore. Our chief medical adviser is an expert on all blood disorders, and will cheerfully give you full advice as to the treatment of your own case. Address Swift Specific Co., Dept. F Atlanta, Ga.

About the
Chautauqua

The advance ticket sale for the Maryville Chautauqua is now on. The season tickets are being offered at $1.50 for adults and $1.00 for children. After July 10, the price will be advanced fifty cents on each class of tickets.

Programs are now being distributed and you will find by reading one of them that the chautauqua this year is one of the best that has been given in this city. The chautauqua is something that deserves your patronage, because it gives more of high class entertainment and instruction for the money than could be brought to this city in any other way.

In order that the people may have no misunderstanding of the situation with relation to the activity of the local committee, it is thought well to make the following statement:

During the progress of the chautauqua a year ago the question of continuing this week of entertainment another year was put to a vote and was almost unanimously favorable. It was also voted that the assembly should be held at the Normal Park. Finally, subscription cards were passed through the audience and the people were asked to subscribe for the number of tickets they could use. A large number signed these cards.

After the expression of the people had been made favorable to the return of the Redpath - Vawter people, had decided on the location and had signed cards pledging to buy pretty nearly enough tickets to meet the guarantee required by the company, forty-three Maryville men signed the contract for the chautauqua assembly for this year. These men are obliged to sell $1500 worth of tickets and to have the money in the bank to the order of the Redpath-Vawter people twenty - one days before the opening of the chautauqua. They have to make good the deficiency, if there is one. These men have no chance to profit by the undertaking, but they do stand to lose if the people of this community fail to buy these tickets.

What are YOU going to do about it?

The committee has had Mr. Fred Lewis calling on the people who signed the cards last summer. Some of these people seem to feel that it doesn't matter if they fail to make good their pledge; others put off paying the money "until the chautauqua starts." Most of them, of course, are paying according to agreement.

The guarantors are disposed to put it squarely u pto the people of the community. If you don't care for the chautauqua, and do not buy the tickets, the guarantors will meet the deficiency this time and let it go at that.

Season tickets are on sale at the stores, banks and other public places in Maryville. They are fifty cents cheaper than they will be after one week from next Thursday (July 10). The chautauqua people are offering you a great program; it is to be given in the beautiful Normal Park, and there are to be tents for those who care to make the event a week of recreation.

The committee is anxious to have you buy the tickets and make this a successful chautauqua—not merely because the members are going to lose a little money if it fails, but for the reason that the enterprise is one well worthy of the support of this high - class community.

But it's up to YOU.

E. M. CLAYPOOL,
Secretary.

Chairman Local Committee.
